Unless you request otherwise, your registration will be considered permission to use this material in promotional materials, including publications and websites. Names or other personal identification will not be used in conjunction with images. If you object, please notify Consolidated in writing at the time of your registration.

# Special Activities/Events

## CHILDREN'S CHOIR

The Choir lets children express their praise to God through music and learn the joy of singing and leading in worship. Children learn songs based on the truth of God's Word that will stay in their hearts and minds for years to come.

## SERVICE PROJECTS

Children get to participate in practical service projects to show God's love to our neighbors in Lexington and across the world.

## SPRING/FALL FESTIVALS

During the Spring we rejoice with our "Raise Up" Easter celebration, honoring our Risen Savior. In the Fall, we provide an alternative to Halloween parties with "Hallow Him," an event reminding that Jesus is the True Light in the Darkness. Both of these events are open to the community with free food, games, and prizes.

# The Breakdown

TRANSFORM is a verb that means to change the outward form or appearance of or to change in character or condition. It means to change a thing into a different. It implies a major change in form, nature, or function; an abrupt or startling change induced by a supernatural power; fitting something for a new or different use or function; a change that exalts or glorifies. Children's Ministry seeks to transform our children, their families, and yes, even our volunteers into the likeness of Christ.

**And the Lord—who is the Spirit—  
makes us more and more like him  
as we are changed [transformed]  
into his glorious image.**

**2 Corinthians 3:18**

# WE

It is our prayer that by the time children complete their time in Children's Ministry at Consolidated Baptist Church, they will:

1. Know Jesus Christ as their personal Lord and Savior.
2. Understand and participate in the basic disciplines of Christian life, such as prayer, tithing, baptism, regular church attendance and serving in the church.
3. Understand the importance of evangelism and be able to tell someone else what they believe.
4. Know how to make choices that reflect a lifestyle of Christ-like character.

## **Noah's Ark**

We get to introduce children ages 6 weeks to 2 years to the love of God through exploration and interactions in a loving and caring environment.

# ARE

# TRANSFORMERS

## **Sunday School**

Sunday School plays an important part in the faith development of children. A main goal of our Children's Sunday School program is to partner with parents in the teaching and nurturing of their children. We want to provide children with a Biblically-based foundation throughout their spiritual journey.

## **Children's Worship**

Our Children's Worship Service is the place where children in first through fifth grades meet to experience the power of God! Our goal is to teach children to exemplify their Christian walk everyday of their lives. We use video, music, games, interactive time, small breakout groups, and more each Sunday to give children the best experience to transform lives for Jesus Christ.

## **PK PRAISE**

PK PRAISE is our worship service for preschoolers and kindergartners. Lively and interactive, this service teaches our youngest believers that learning God's Word and being a Christian can be fun! Plus, it's never too early to learn to worship God.

## **Bible Study**

Using the Bible as our textbook to provide Christian growth, during Wed. Night Bible Study we want our children to develop a familiarity with the key stories and central themes of the Bible and see themselves as an important part of the Christian community. Relevant lessons each week will

help them continue to develop moral and spiritual character in a kid-friendly atmosphere.
